

manetti shrem museum *interACT*

a space for community and conversation

In this time of intense change and heightened dialogue, the Manetti Shrem Museum is committed to being a "third space" where conversation and connection can happen. With the UC Davis campus in a state of reduced operations, the museum is offering interACT, its Zoom webinar platform, and staff resources, to amplify BIPOC (Black, Indigenous and people of color) voices through virtual gatherings that are hosted and presented by campus community groups. The museum will co-sponsor and promote the program/gathering if requested, but co-sponsorship is not required.

To arrange use of the interACT platform, submit the following form to Melanie Koch at mjkoch@ucdavis.edu.
